### The Story:

Have spent many a happy visit to VH and seen Racheal on 3 occasions. Felt compelled to submit a report as this time i tried the new aqua room. The overall experience was very exciting - starting with a shared shower before i lay down on the leather couch with water spraying down on me as Racheal soaped me all over. It was especially exciting as she lay on my back and rubbed the suds into me with her chest.

She washed me down and sat me on a chair so she could give me a wonderful BJ and then knelt on the couch so i could take her doggie style.

Overall a wonderful lady and the water room took an enjoyable experience to the next pleasure level.
