The Story:

This was our second meeting. Each time she has been a bundle of laughs while providing a real GFE, without the nagging, unless that's part of a role play you want (who would?).

Being asked on my frequency target for the visit came as a pleasant surprise. This allowed her to plan the time available with the aim of my utmost satisfaction, rather than risk it being all over too soon with nothing to do but twiddle thumbs....or something.

She kisses beautifully and it might be a close thing between her nipples and neck as to which is her most sensitive part. We relaxed on her couch with a slow, sensuous OWO and she was gentle and expert with plenty of variation. Under such skill, I could only resist for so long.

Then it was into the bedroom for some mild tie and tease. Being helpless under her complete control is not for everyone. Trust must be there. Pru's manner never made me feel uneasy. I was definitely in good hands and other parts.

I got the full feather boa, body, orbs, tongue, hands and briefly another very strange implement on the way to her eventually mounting me. All that was missing from her cowgirl was the 10 gallon hat. Having risen up and down the walls of excitement through this ti(e)me, it was a shattering eruption that Pru had been building from me.

Immediately, she offered me a massage and I gleefully accepted. This brought me down and then up for more. We finished with a very entertaining interview play while in various positions, to check adaptability for the "post". She passed with flying colours.

Her sensuous seductive manner, game nature, beautiful curves and easy conversation are just some of the wider reasons that makes a trip to her worthwhile. Those and the bodily pleasures make for a very satisfying visit.
