### The Premises:

First visit to Sandys, ultra modern and immaculately clean, very very well presented, , nice discreet rear entrance, and theres a downstairs room newly opened, classed as the disabled room, although im not disabled i asked to use this room as it avoids coming into contact with other clients, the only people you need come into contact with are the receptionist and the lady of your choice.

Superb for those who like me for their own personal reasons , like to slip in and out without worry of bumping into other clients.

### The Lady:

Leah is a real babe, website pics are accurate, really does have the "perfect" bum, nice boob job, slim body to die for, dark hair,

and very friendly,

Put me at ease immediately, felt like ide know her forever, great bubbly personality,

### The Story:

Put me at ease immediately, not going into too much detail, but like all her other fans will tell you, you definately know when youve been "Leah"d"

Get the feeling she really enjoys her job, puts 110% into it, and was open to any suggestions i had, real girlfriend experience

lovely girl, treat with respect, Leah truly deserves it and is a genuine superstar, Left with a huge smile on my face,

will be back for many repeat performances,

Thanks Leah, for a fantastic time, Richxxx
