The Premises:

My Place - Central London Travel Lodge near Earls Court.. Not the best but considering the amount spent on the punt - More than adequate!!!

The Lady:

Very good looking girl.. Brunette/Dark Hair.. Slim body with great breasts - would say about 34/36 DtoDD.She has had a boob job but trust me you really wouldn't know unless you asked..No sign of scars at all!! Says she's 30 but would maybe add a couple of years to that - doesn't look her age though.. Only possible issue - is she is in the process of having a few tatoos removed - although this didn't bother me at all..

The Story:

I have to say I was in 2 minds about doing this punt. I originally wanted to see Juliette from the same agency but she wasn't available.. Remembered seeing Billie on the site and she was around so after much debating (particularly about the fees - ?300/hr is extremely steep for me) - I decided to go for it..

I have to say though this was a fantastic hour..Billie is a really friendly and 'dirty' girl..A real life porn-star (look up Bille Britt on the web if you don't believe me)..

She was great company as well as being fabulous between the sheets. Not a clock watcher at all. In fact the agency had to phone my hotel room well after the hour mark to get her out of the hotel!!!!

This girl can deep-throat bbbj for England...

Loves anal; performs rimming with gusto..In fact the only thing I think is off her menu is the swallowing service (well - would you??)

All in all it was a mind-blowing service..She loves to dirty talk if that is ur kind of thing - and after I had cum (CIM and facial - after pounding her arse(covered of course) for a good while)we spent a good while talking about her life in the porn business, what she was up to now.. etc..etc...

Right now the tricky bit - due to issues in her personal life - she is no longer being actively

advertised on the Hamiltons Website.. However - she IS available.. If you want to see her - phone the agency and ask for Billie - and you should be ok..

In summary a great punt.. My only negative is the ?300/hr price - which is a bit steep and might put me off doing the more high class girls regularly - however as a 'one-off' - definately recommended..

Enjoy...
