The Story:

what happened between me and victoria was so personal and special that i don't want to share it. i will say thought that she victoria is a sexual dynamo .

be warned when she is let of the leash u had better be prepared. I am a new punter this is my 5th escort. i won't be looking anyway else she is amazing.

she is a lovely girl with a warm smile she chatted for a while after we finished . there was no rush i will be back for more and will stay longer time . I recommend this girl for nervous punters u will not be dissapointed.
