The Premises:

Called to hotel, on time.

The Lady:

Very, very sexy mid thirties blonde dressed in smart tight fitting skirt and smart blouse, black high heels no stockings (by request).

About size 10 with lovely round ass and great legs with well defined calves (dancer?), fully shaven with a small clitoral hood piercing.

Lovely large 32 dd breasts, augmented though but this wasn't a problem for me.

Very smart lady.

The Story:

Got hold of her details via adult-work and wasn't all that easy to get hold of but did manage to arrange booking where she visited in Preston hotel.

Asked her to strip for me and bend over to touch toes, which she did willingly.

Then went onto a nice massage where she teased cock and balls and to my surprise started to rim me! Amazing sensation. She later stated that this was at her discretion.

Turned me over for some amazing oral-without and we fucked in a variety of positions.

Managed to 'perform' twice and the sex was broekn up with some nice chatting and mutual massage - bit of a gf experience I suppose.

All in all, a very sexy (especially those legs and ass), competent lady with a real sexual aura about her.

Will certainly be booking again.
