### The Story:

Well, as my fan club know I don't submit many reports so this has to be something really special - and she was! It's not often I meet a lady I'd want to see again immediately, but Amy is certainly one. She is facially attractive with just the kind of slim, well toned body I like. She is also friendly and enthusiastic. She is intelligent, nice to talk to and hit all my right buttons!

Just two problems. As she works in another job she isn't always easy to get hold of, and I had to rush about too much as I had a train to catch afterwards, which I only made with a minute to spare! But Amy was certainly worth it. While ever she's still available I wouldn't have to trawl the vast punting lands of London! I only hope she sticks around for a while yet.
