The Story:

This was my second visit to this gorgeous lady. I cannot add too much more to previous FR's only to add that not only is she physically and visually beautiful, she is such a warm person on the inside.

I will not go into too much detail that has not already been covered, however it has not to my knowledge been mentioned before, Pia's lovely soft Irish accent which I find a complete turn on as she presses all the right buttons....mine anyway.

Do not bother if it is a raunchy time you require because that is not what Pia is about, but if you are after an intimate experience with a lovely lady you could not find any-one better.

She also has a GSOH and our conversations ranged from addictive punting (highly dangerous in this instance...we have made a pact that I do not contact her again for 6 weeks....unless I come up on the lottery! to beards and low fat custard.

A total gem.
