The Premises:

Nice cosy flat in a victorian house. Parking was available in the vicinity (residents only bays) but no parking wardens around at the time i visited! I'm not sure how far one would have to venture to find permit parking during the day!

The Lady:

A very toned and well kept physique on this babe. Her tits are obviously enhanced to this size. Her pictures are blurred on the site but she's no slapper trust me. Very nice legs and a firm bum.

The Story:

This was an out of the blue punt which I decided at the last minute. Having driven back to London all the way from Lancashire where i'd been on business, I was in need of some serious pampering. I'd seen this pictures of this girl on my laptop and called up the agency. Luckily she was available and could see me within the hour so made my way there.

Emma is a babe and the sad fact is that she knows it. Coughed up the money and stripped off, without any help from Emma. She too, stripped off as if she was about to go swimming. I had to stop her at her pace and helped undress her from the sexy dress which she was wearing. She could learn a few tricks from other more experienced wg's out there but given her looks and sex appeal, it wouldn't take a guy long to empty his load with this girl.

Though this girl is amazing to look at, she doesn't seem to get into her job 100%. She probably forces herself to work as an escort and it shows in her service. Did a good bbbj but it was as if she was practicing for a marathon. This woman needs to slow down or get out of the industry. Moans were one of the fakest I've heard in a long while, while I shagged her in doggy and mish.

Though it was a satisfying round of shags, It was more down to the fact that I was aware that I was shagging a real babe, rather than her input. Still, gave an ok bbj to completion and let me have my wicked way with her shagging her in any position I wanted.

I'd like to think that she would learn from criticism if she reads this report and if she does, i'd recommend and would even see her again.
