The Lady:

Sophie is 30 years old, looks a little younger, maybe because she is so small, petite but busty and extremely attractive, really lovely pretty face and sparkling sexy eyes. Immaculate dresser, designer clothes no doubt, very sexy lingerie. She was just my type. WOW WOW WOW!

The Story:

Had a very relaxing and enjoyable evening with the lovely (and professional, in a nice way) Sophie.

After exchanging a few emails I had decided on the perfect date for us. Dinner at Princess Squares Etian, followed by a late night cocktail at Rogano where I normally dine when in Scotland, but took Sophie's recommendation. Fabulous food, terrific wine, and my date for the evening was just heavenly, the evening passed far too quickly for my liking.

After short cab ride to my hotel, we finished the night off with a lovely glass of red wine, (which I brought over with me especially from my home town in the US..she was very impressed) and listened to some music, thankfully my hotel room had a CD player. Soon after I had one of the most sensual lovemaking sessions I'm sure to take part in, maybe I am getting old, maybe it was the cocktail or possibly Sophie's seductive technique throughout dinner, whatever it was, it was delightful. Well worth the 12 hour flight.

Sophie is Confident, alluring, charming and friendly, I will not go into any details of our intimate time shared as not to devalue her in any way, but I had a wonderful and memorable evening with this lady.

Highly recommended, will be seeing her again on my next visit
