The Premises:

I've never been one to dwell on the interior design but its generally clean and tidy.

The Lady:

She's about 5'6" tall, long blonde hair, which she doesn't mind you running your hands through, fresh faced about 25 years old age. and a trim waist you can really get your hands!

The Story:

I've seen Chardonnay a few times now and she still does it for me! you know the feeling i mean, The First Punt Excitement!! Again i opted for owo to completion in mouth. Its not a favourite of hers, she'll admit to preferring a large cumload over her face anytime, but what turns me on is the way her face contorts when you finally lose your load in her mouth and her reactions! as if shes not expecting it? My only small complaint is that she has the tendency to want you to cum quickly! Most of the enjoyment is gained by being built up to climax with a good blow job. Still, she is good though.
