The Story:

First time at this establishment. First time I've submitted a report. Had the choice of Jodie or Kelly. Hard decision to make but decided on Kelly, and I'm so glad I did. I opted for a full personal. Nice, delicate massage to start with some nice conversation to put me at ease. Kelly is very friendly. Started with some nice passionate kissing, covered oral which was superb. First position was Kelly on top, nice and slow, what an amazing site. Had to stop Kelly after a while as i could fell myself ready to explode. Kelly layed down for me, more kissing. I then kissed her from top to bottom and worked my way down. Reverse oral given and what a beautiful pussy Kelly has. Kelly seemed to genuinely enjoy receiving oral, I could of carried on forever. Then onto sex in missionary position and kissing. Couldn't last that long and eventually came to a shuddering, powerful climax, WOW.

For me, Kelly has everything and more. I may try other ladies here, but will definately see Kelly again and again.....

Excellent experience and highly recommended. Top marks all round.
