The Story:

After waiting for a while because she was entertaining another gentleman I was led in to the room by the maid who was very friendly. The room was well decorated and had mirrors on 3 walls. I opted for OWO followed by CIM. After a nice massage I turned over and she began licking balls and kissing my nipples. OWO followed and was sensational and before long I was spurting into her mouth. We cleaned up and I was shown out. A very good punt and worth the money.
