The Story:

Not sure about this girl how to make out her out. Saw her a long time ago and couldn?t remember my time with her. Saw her in reception at Babes recently and she look very fit see her new photos on the Babes website, surely Babes produce the best and most photo?s of any Manc establishment, they show how good her body is especially that arse.

Decided on 45 mins and we went into the room she left me and returned after five minutes or so and peel off jumped on top of me and we had a chat whilst of caressed her body which she enjoyed and told me so, then I told her to lie on her front whilst I teased her all over before getting to her lovely pussy which I made luv to with my tongue she was soon soaking wet, I got about one minute of oral she couldn?t breath through her nose so she asked me to if she could use her dido, this became her penis substitute which she rode to four orgasms whilst I talked dirty to her. She asked me to cum on her tits which I did and that was it, no more she jumped into the shower.

I told her that I wanted to fuck her repeating what I told her when I was wanking onto her tits, but time was up. She told me that she wanted me to see her again because she wanted to do more with me!

Will I see her again? maybe but there will be a long list of punts to complete If you do see her then keep that dildo in the draw if you want to fuck her
