The Story:

I got to the party nearly a hour late, due to my own poor planning.

Was only Nancy on as the second lady was sick, though to Steves credit he kept the ratio down to max 5 guys, though actually a married couple was there and got well Involved. Had a really nice time, shame I missed half of It. Nancy was very good, we all had a fun time. Chatting to her later I asked "so what do you do when not doing parties?" She replied In her sexy Polish accent, "I make porno films". Got to love her don't you? I Hope to see Nancy again soon.

I have been to a few of steves parties now, I keep coming back coz they have a good atmosphere, and decent girls on.
