The Premises:

a very nice apartment about a 5 minute walk from paddington station,intercom system and felt safe.

The Lady:

a tall thin blonde with a very trim body and very long legs.

The Story:

lucia is a italian girl and i enjoyed struggling to comunicate in my school boy attempt at speaking some sort of broken italian with her,her english is quite limited but she genuinely seems to want to learn it.Any way lucia is a very passionate girl as all italians are,lots of kissing a vey good bj and she swallowed my first load.After a nice glass of wine(which i brought with me) on with the rubber and some very dirty sex.She took it in all positions and then asked for A which she glady obliged and asked me to fuck her hard!

A very good girl who i will definitely see again.(after practising my italian)
