### The Premises:

House of Divine, good discreet parking and a nice apartment. Had no problems and got no funny looks! Met by a nice polite lady at the door and shown to a bedroom and told that Tia would join me there.

### The Lady:

Oh my God. This being my first punt I was as nervous as hell but when Tia walked in I was completely blown away. She is a total stunner with a body to die for. I couldn't believe my luck. We got the business out of the way and she told me to strip and get on the bed.

### The Story:

This didn't take long and soon she was naked next to me. WOW !!!

We started with some kissing (not very passionate I'm afraid as Tia only opens her mouth but doesn't move her tongue about), but I continued and performed oral on her. She has the sweetest tasting and smelling pussy I think I have ever had the pleasure of tasting. I spent a few minutes down there and then she performed oral (covered) on me which wasn't bad at all. Then we had a great 69 which I think she enjoyed as much as me!

She then climbed aboard and rode me for a while until I asked her to do doggy. The sight of her ass will remain with me until I die - beautiful! We finished with mish and all in all I really enjoyed myself. What a beautiful girl with a beautiful body. Next time I will go for longer as I would like to take more time with this lady.
