The Premises:

Discreet apartment on road to the airport. Parking very easy in local side street or adjacent pub car park. Tidy, clean and welcoming

The Lady:

Blonde 5'-6" size 14/16. The most gorgeous smile you could wish for. Big boobs with sensitive nipples and a lovely bum.

The Story:

Sam was wearing a short skirted dress which came off while I was in the bathroom. She then proceeded to undress me as we found our way on to the bed. She was quickly all over me and smothered me with kisses. The rest is a bit of a blur but was most enjoyable. Her tongue stud is a delight as it probes your tip and when your tongue discovers the clit ring, which you have forgotten about, you get a very pleasant surprise.

Sam is everything it says on her web site except that she is even better looking in the flesh, so to speak. Her smile never left her lips even when they were wrapped around my cock. She certainly enjoys her calling. I give her 10/10 and will certainly be back when I am in the Midlands area. I also hope to get to one of her parties very soon.

One word of advice to prospective visitors. Contact her by e mail as her phone gets so busy she cannot always answer it.

If you are looking for friendly company in Birmingham then contact Sam and you will not be disappointed.
