The Lady:

Lisa is an astonishing beauty, and although her photos are appealing, they do not do justice to this truly lovely girl. She is tall, with a perfect figure and Brazilian skin tone. Softly spoken and rather genteel.

The Story:

I have always had a great time at Debbie's, but this was yet another treat. I opted as usual for the assisted shower. I do like a soapy hand-wash. Afterwards, we massaged each other, following which the expert covered BJ aroused the old chap's interest and sex in three positions ensued, culminating in me working from behind while she leant over the end of the bed as I watched us in the large mirror. Delightful, attentive, unhurried. Will I be seeing her again? Perhaps you can guess.
