The Premises:

many reports on retreat. as always very clean, polite maid offered drink and all very relaxed.

The Lady:

Sylvia is a blonde, Italian lady who is stunningly beautiful. her photos do not do her justice.

The Story:

She was very attentive and interested in the role play I asked her to act out. This basically is a torture and tease session. She then proceeded to provide exactly what I had asked for and some more. It was an excellent session with both torture and tease being administered expertly. At the end she was very warm and friendly and gave no hint of rushing me and was happy to chat. An altogether excellent experience that I would be happy to recommend to you all. If you are free on a Sunday, go and see Sylvia, you will not be disappointed.
