The Premises:

Easy to find parlour on Albert Road, with a rather obvious shop front. I used the back entrance - if you ring them before they will let you in.

The Lady:

Very attractive blonde lady - 20s (bit vague - sorry!). Probably about 5'5". Slim, with probably a b-cup bust (useless at sizes!).

The Story:

I had actually booked to see Sasha, but she had not turned up that evening, so Tracy, who let me in the back way said I was welcome to see her. Naturally, I was disappointed, as I had been trying to see Sasha the day before too, but she wasn't working then either. However I didn't even think of refusing, as Tracy looked so lovely, wearing a nice skirt that showed off her fantastic legs.

Tracy is genuinely very friendly, and has such a warm demeanour, that all thoughts of Sasha disappeared during our time together. I will spare the detail, but she is genuinely passionate and affectionate, which I loved. I had a great time, even though the sex didn't really work (my fault!). I will definitely be back so see her - when funds permit!
