The Premises:

Its a famous escort house in harrow on the hill. They always got the good girls(well most of them). The room has full length mirror on 3 sdies so u can watch yourself while fuckming her..like a porn movie.heheh

The Lady:

She is leggy, in her 20s,green eyed east european beauty (her pics in <http://www.silkandstockings.co.uk/girlspics.asp?name=Carman>). desirable body and u would certainly wanna fuck such gal.:D.

The Story:

This was my 3rd visit to her.

She is good in OWO and allows 69. i like her body to body massage and when she kisses, licks and bites my nipples , cock and my balls.

Sex is good with her in all positions i tried-doggy, missionary, she on top. Since I been with her 3 times can't exactly descirbe what I did each time, but enjoed it with her and since I am kinda regular so shje knows what I want and i know what she wants. So we have a helluva good fucking time. I usually choose the GFE for ?100 per 30 mins which includes massage, OWO, 69, kissing and sex(cum one).

I rank Zoe from the same agency (check my & many others' review on her) first, then Carmen. Then comes Vanessa (from the same agency-check my & others' review on her), but Vanessa doe snot do OWO or kissing which is a shame.

I like nearly all gals from that place. Only gal i did not like was Vicky (who come on saturday) as she talks a lot about unrelated subject to bide the time i guess and then u don;t fell horny (wouold you fell horny when she complians about tube service,high cost of education, good unis in london etc etc while giving u a hand job?????)
