place was ok

The Lady:

she looked quite nice with sexy big eyes and a nice body.

The Story:

She started with a blow job and I wanted to play with her but she kept saying just relax but she kind of was off putting. We started doggy style and few minutes later she started panicking saying make sure the condom doesnt come off and was paranoid. Then she said she will only finishe me off with a handjob, but I stressed I wanted her on top but she was acting frigid etc. I saw her twice and only for 15 mins a she rushed off, so wont be back there again.

Dont waste your money on this girl who works sat amongst other days.
