### The Story:

Having had several excellent encounter via Barracuda several times in recent weeks I decided to have another punt. Arranged for 45 minutes with Anita - slim fit-looking body (about 5'5"? see photos). When I arrived she was in Jeans, a top and her hair was still wet. Shown into a miniscule bedroom with enough room for the double bed but little else. Introduced myself, moved towards her, put my hands on her hips and leaned forwards for a kiss ? but she turned her head to avoid direct contact. Se helped me undress while I helped her. Things started to look up as she then kissed lightly while we were on the bed. Gave light but good OWO and I had already decided I would go to completion if she would let me. She did and I did. Only 15 minutes into the appointment at this stage and I was up (mentally) for a second pop. She lay on the bed and we tried to have a conversation but her English none too good. She is a genuine 19 year old but her heart is not in this game. Stoked her body but my hand was brushed away when it closer to between her legs. After about 10 minutes of this she put on her jeans and top and went to the bathroom. When she came back she undressed, only to lie on the bed again. Clearly no second pop was on offer. Effectively my 45 minutes of punting was over in 15.

This was a shame, because I have visited three other Barracuda girls, all of whom were excellent GFE/PSE (Liah ? FR posted; Lola ? now with another agency; and Michelle ? still with Barracuda). I posted my report on the Barracuda site and to be fair they now have it on display ? so they are at least being honest. Some might like a passive encounter with a slim 19 year old, but for me I will not return, although I think Barracuda have some excellent girls.
