The Lady:

Indian pretty face about 5'3 dress size 8 or smaller?..with about a C cup quite firm breasts. She has straight hair and is of Pakistani origin. She is 20 but looks very young.

The Story:

I got her to do a schoolgirl fantasy where she would dress in a school uniform and act innocent and submissive. She put the uniform on and I must admit she looked about 16 if that. I could see after a couple of minutes that she wasn't really comfortable doing role play so I scrapped that and just stripped off and wanked whilst touching her body. I got her to strip off and had a nice suck on her tits. After about 15 minutes of wanking and touching her up I sat in the chair and got her to finish me off by hand. She is very friendly and chatty but has innocence about her, which is a good turn on. I will visit again although I like would like to have come over her tits and like most Indian girls she doesn't allow that?.

Service Provider's Rebuttal

Sumeera writes, "I have had a few concerned people ringing up since this report enquiring whether or not I am old enough to be at Indian Palace. I can assure everyone I am a genuine 20 year old! I am glad I look young as I am sure it will be very handy in the future. I am not complaining about my young looks! I always try my very best at all times and would not want to deny you an experience with me due to misleading comments! Sumeera. xxx"
