The Premises:

A clean parlour. This must be the south west's parlour with the least discreet entrance. There is a back door entrance if you have visited before. but nobody seems to worry you when using front door.

The Lady:

Sasha is a pretty girl-next-door type of 21 with dark hair and very nice eyes. Great body all over. Well maintained.....

The Story:

Fantastic experience - had read all Sasha's FR beforehand and was thrilled to find her there this time. Great oral, really knows how to please a man. Great cowgirl action as well. So good infact I finished before I really wanted too. Trying to resist with this awesome girl is very hard... A great massage followed the main event - and this was a proper massage - have paid lots of money for sports massage before - but Sasha really knows which parts to work on for all over good feeling. Miss Sasha and you've missed the best
