The Story:

Without going into to much detail Lauren is a true GEM. Bareback Blowjob watching her huge boobs swinging about and rubbing my thighs was awesome. She has never had children so is VERY tight and giggles and screams loads when u penetrate her (And she gets very wet). She used to ride horses in the country, so goes without saying her sitting o top is superb. She makes you feel so welcome and at ease a true girlfriend experience. I have known Lauren for a while now and she is by far the best lady out there. Take her a nice bottle of wine and she will show you her appreciation. One thing to bear in mind is she only accomodates a few appointments a day, to give you the full treatment and she does voluntary work for a cat shelter so she is sometimes hard to get hold of. But keep trying because when she gets hold of you it will be very HARD !!!! ;-)

Please treat her with respect as she is a special lady.
