The Story:

Christina was as good looking as in her photos.She looked 20-21 but not 19 as mentioned. She had a great tasting pussy and so kissable lips.But looks like she does not do open mouth kissing but still she is a good kisser.

I started off playing with her great boobs and i munched her on pussy and my finger touced every inch and every part of her pussy. She really enjoyed my reverse oral and she reciprocated and gave OWO. She was kind of ok but sex with her in mish was one of the best i had. Her responses were so GFEish that i did not feel odd when iam done which i usually feel after sex with escorts. There was no second round as there were just 10 mintes left and we finished off the wine we brought. Its a good punt if not the best.
