The Premises:

Corner house in mixed residential and industrial area. Clean and suitable for the purpose. Nice house - park in Desborough Avenue car park

The Lady:

Debbie delicious willowy blonde but with a great figure. Classy lady who is very touchy feely - a real GFE. Debbie is very well educated. You end up feeling that you are enjoying a classy date.

The Story:

Debbie is very relaxed and gives a super real massage. I was very hyped up before we met but was completely at ease in minutes. She takes her time and is very willing to give you a real experience. I suspect she would not enjoy being banged by a gorilla but she would be absolutely ideal for a first punt.

With Debbie you forget you are in a brothel, or even that you have paid for the experience. She instantly becomes your dream date.

Class act enjoy!
