### The Premises:

nice clean apartment

### The Lady:

30 something year old lady, not exactly stunning but she has got a beautiful apple bottom, fake tits that weren't very nice.

### The Story:

been wanting to see her for a very long time but hadn't really been round London until now, called up and got the address, soon as she opened the door was a bit disappointed as she looked quite different from the pics + she seemed kinda cold, so I showed in and was asked to take my clothes off (kinda shocked @ the way she said it) anyway I had a shower, came in and as soon as I got on the bed she jumped my D\*\*k, gave me a bj for a few minutes and it was on to the condom, now her oral isn't anything to write home about but boy can she F\*\*k, we had sex in every imaginable position she is as creative as I am or probably more, busted the first nut, she had a glass of water and she went on my D\*\*k again barely 5 mins later wasn't complaining as I was up for it got hard slipped the condom and it was on to round 2 she wanted it doggy who was I to refuse I pounded her like that for ages and she takes it real hard and deep, she finally came after about 20 mins and I followed not long after cleaned up came back then she got very chatty and was actually really sweet and friendly though her English is terrible + she's got a very strong accent we managed to have a bit of a conversation after about 15 mins she was up for it again so she sucked my cock and I humped her again! and she came again!! sadly couldn't bring myself to bust the 3rd nut besides I looked @ the clock and I was half an hour over my time, didn't want to take advantage and she didn't have any lube or oil to wank me so I decided to take my business home. Was a really enjoyable punt she kinda grows on you after the initial disappointment and I probably would go back and see her after a while but I've got like 80 other escorts to see in London alone by 2007. Highly recommended
