### The Premises:

Very nice clean sparkling apartment but the shower in the bathroom is crap

### The Lady:

Amazing lips, sweetest cunt ever, firm round boobs and great navel

### The Story:

Well i never really liked reverse oral but once i kissed her pussy lips i just cannot take my mouth away from that part of the body. Her lips are sooo.. kissable i just could not stop myself kissing. She really enjoys sex ; only one thing is she did not do CIM ; dont know whether its just with me or with anyone;but other girls did tell me that my cock is clean and i have a great cock. Any way, guys she was amazing in bed and her tight cunt and her words of encouragement make you feel great that you actually ad sex with her. The only regret is i went to apartment with my laptop and she wanted me to show her family photos and in the process i lost the chance to have a second round. Michelle! i will be back but this time just to kiss those lips ;both of them and all of them.
