The Story:

My first time at a party and, I can honestly say to all you other party virgins, don't worry! Well organised, Lady M & her companion were very friendly and put you right at ease. Valuables locked away, a drink, quick shower and start the party. 4 other guys apart from me, then 2 others turned up, so good ratio. Girls were very accomadating. Some of the other guys had partied before, but, no problem, nice bunch of guys all there for the same thing, a good time and, it was. One on One, two on one, even three on one at one stage. All too soon the party was over but everyone was happy. Couple of the guys left after one hour, so that made the odds even better. All I can say is, try it, don't be scared. I will certainly be going back. Where else can you get an "All Inclusive" for ?50 an hour? Great value.
