The Story:

Saw this girl last year when she was working for another agency, but thought she was worth a write up.

I was at home at 1am when I suddenly saw her picture on a website and knew I had to have her. Gave them a ring and 45 mins later she turned up at my door!

I couldn't believe how stunning she was. Tall and slim with long blonde hair and tight jeans, we started kissing straight away in the hall, then I led her upstairs and we watched lesbian porn as I peeled her clothes off. As I slid her thong off I got a nice surprise when I saw her perfectly smooth waxed pussy. Started to lick it immediately and got even more excited when I found out how wet she was. She eventually wanted to return the favour and put a flavoured condom on me before giving me a deep blow job. We then moved into the 69 position and I thrust my tongue as deep as it would go inside her.

I then asked if she would fuck me in the ass with a dildo and she gladly obliged, as I continued to lick her pussy and asshole. Just when I was on the edge of cumming we stopped and I asked if I could fuck her in the ass. She said yes, but after several minutes trying we had to give up. My cock was just too big! Never thought I'd be cursing myself for that! In the end I slid it into her now dripping pussy and we fucked doggy style. This was my first time with a working girl and I couldn't believe how all my fantasies were coming true. Her body was absolutely perfect ? I felt like I was in a porn film.

After I came we lay together for a few minutes. But things were about to get better! She then gave me another blow job, uncovered this time. Her technique was incredible and pretty soon I was desperate to fuck her again. First I kissed and licked her all over, trying to make the most of her

beautiful pussy while she was still with me (she's had it waxed to perfection. So smooth and silky.), then on again with a condom and some deep hard sex in the mish position. This time she had what I think was a genuine orgasm. Her body was shaking all over , her pussy got ridiculously wet and I came a river. Wow!

Despite the fact that her English isn't great this girl is 10/10. Can't believe she hasn't had a review on here before. I've seen that she's now doing threesomes with her friend Kate, so I'm going back for seconds soon!
