### The Premises:

My hotel in Manchester

### The Lady:

Abby is a lovely lady. Petite, long dark hair, shaven, early 30's, full of sunshine and naughtiness!

### The Story:

After being let down by my planned date at the last minute, I called Cheshire Companions and had a chat with Caroline about my preferences. This was my first experience of Cheshire companions and I was apprehensive at the lack of photos on their website, but on the basis of previous recommendations I decided to go with Caroline's recommendation and I'm glad I did.

Abby was a delight, she is sexy, sassy, intelligent, a great kisser, and provided a great GF experience.

Abby clearly enjoys her work. We felt immediatly comfortable together and naked on the bed we chatted like old friends whilst our hands explored each others bodies. The rest will have to stay in my memory!

Our 2 hours together passed all too soon and I look forward to seeing her again next time I'm in Manchester.
