The Premises:

Nice plush discreet flat, Just behind the hilton metropole.

The Lady:

Not bad looking with a decent without being amazing body. The pictures on the website are genuine but make her look far far far better looking.

The Story:

Whilst this was not a totally unplesant experience it was not what I would expect for the money.

A little cold and only one round of action on offer.

I would certainly look elsewhere although the agency is generally very good.
