The Premises:

Nice house near town centre. Parking is best at the Desborough Avenue car park otherwise difficult. Very clean and safe. Two nice bedrooms with good beds. Nice owner/maid

The Lady:

Lexy is 30 but looks much younger. Brunette, with a cheeky face, sensational, natural boobs with huge brown very sensitive nipples. Nice bum and great attitude. Lexy is a mother of 3 so her figure is fullsome without being fat. She works one day a week and cheerfully admits the job represents both an income but also her current sex life. A recent addition to Ruby's stable currently she only works Tuesday.

The Story:

Lexy clearly has had a very expensive education and that means she can talk about anything. Very relaxed, very sensuous, nice gentle massage followed by an everlasting blow job. She loves to receive oral and well as give, combine that with lots of boob kissing and you have a very excited young lady on your hands.

She has not become hardened by what she does. There is still a innocence about her. Sam Debbie Yasmin and Lexy all give a great GFE. Lexy actually becomes your girlfriend. A real winner.
