### The Premises:

Nice flat, clean and secure

### The Lady:

In the photos she looked a bit plump but in person nice and toned, strange it is usually the other way round.

### The Story:

The one thing to note about this girl is the oral, oral like no other, deep throat, tender kisses on the head, rough aggressive oral. I am getting hard just thinking about this. I can not say this enough if you like oral and sex is no biggy go and see this girl. Her tougne is masterfull an I honestly thought she was going to get my whole rod and balls in her mouth at one time. Not sure if she offers CIM or facial. The sex was average but after the oral it did not matter.

Recommended and I will be going back tosee her again for sure.
