The Premises:

Superb place that's already well documented. I hadn't been for years but was delighted at how it had been improved. I had one of the best rooms with a jacuzi and as Stephanie wasn't free for a few minutes the delightful receptionist let me go up early so that I could fill it and have a shower. Very clean with fresh towels and a large towel on the bed that was replaced as soon as we'd finished.

The Lady:

Stephanie is young, mid-twenties I guess with a nice figure with smallish breasts. She is naturally friendly and accommodating and was a delight to be with. I've been seeing the same girl for some years (see my report on Jan of Bolton) but occasionally I just need a change and I must be unlucky as I'm usually disappointed (see my report on Ashley of Blackpool or Nina of Preston). This time however I certainly wasn't disappointed. She was excellent!

The Story:

When Steph came into the room she joined me in the Jacuzzi for a few minutes before we got to it on the bed. Some superb OWO before I went down on her and did some sensuous licking of her pussy. After a few minutes she was obviously very aroused and asked me to slide my finger in her arse. I slipped a condom on my finger and obliged her! I then slid two fingers in her fanny and whilst I slid one finger in one hole and two in another she masturbated furiously before having a massive and genuine climax. After a little rest I had my fun and fucked her, first normally and then anally.

A super place, a super girl and a super time! I'll be back!
