The Premises:

A standard basement flat in Earl's Court area on a side street/crescent. The area is quite safe, though quiet. Flat itself was clean, bathroom is a bit cramped in space though - could be not the greatest place to shower.

The Lady:

Lucy looks very different from her pictures - at least the day that I went. For one thing her hair is actually naturally curly, not straight. She said that she doesn't always want to go through the hassle of straightening it. I actually think she looks better with the curly hair than how she is in the pics. Looks very natural.

The pics also make her look a bit more, for lack of a better word, chunky than she is. She seemed to me to be very petite, about 5'4" and hips/ass seem smaller than the pics. She is VERY busty, but that is the only place she is not petite. She could use some time in the gym to tone up, to be honest, but she doesn't have cellulite or anything like that just a bit of baby fat and softness, and not very muscular.

Overall she looks young and fresh. The impression you get is of a teenager next door. She says she is 21, website says 19, if I hadn't had the benefit of either, I'd have said 18 and I'm usually very good at guessing.

The Story:

I'm not 100% sure of the exact night I saw her, but it was this month (December) two or three weeks ago, in the middle of the week. I'm thinking it was a Wednesday night. 9pm-ish at her incall place.

Lucy was fantastic to be with. Very friendly, speaks excellent English, of course not a native speaker (says she is from Russia and has been here for a couple years) but more articulate than the average 20 yr old I've met in London, to be honest. She is an excellent conversationalist and was easy to spend time with.

She was enthusiastic with the sex, willing to do whatever positions I asked, etc. You couldn't ask for

more from that perspective. If she has a failing, IMO she was not great on the BJ (OWO). She gave it 100% effort, but her technique was pretty middling. Lucy says she is always willing to be taught, but I think it would take more than a few lessons, so I just decided to enjoy my session and not burn it up. Hopefully one of you other guys can book her for 3 hours and do that - and then I can come back and see her!

Anyway, weak BJ or not, the gal was fantastic, I'd definitely see her again. Easily a top 10 session for me. I've seen Kristina and Anita from the same agency and Lucy gave me a better session than both. Kristina is all-action, but IMO Lucy was just more realistic in her personal connection and enthusiasm. She is quite a charmer. If I had met her outside I'd never in a million years think she does this, I'd have thought she was an LSE or UCL student or something like that. So she's a great combo of sweet and nasty.
