### The Premises:

A second floor flat with a discrete entrance near the centre of town. Demi gave me detailed instructions by phone of how to find it. The interior was clean, tidy and sweet smelling. I was invited into a reasonably sized, pleasantly furnished bedroom. A shower was available in a clean tidy bathroom with fresh clean towels.

### The Lady:

Demi met me dressed only in red lingerie. She is petite and very attractive, a white streak in her dark hair beautifully set against her well and evenly tanned body. The DD breasts on her small frame are delightfully pert - no sag or wobble there - just firmly standing proud. And nipples - unusually long and round - delicious! She is a gorgeous lady to look at.

### The Story:

The price varies between 40 & 60 according to what you want. She gave me a proper massage with strong fingers followed by those amazing nipples, with a tease in private sensitive places as she went along. Demi was very responsive to my particular pleasures. I am not a great lover of receiving oral, but she was quite willing to slide a gloved finger into my back passage instead and work me with both hands. She asked me how I liked it and gave me exactly what I requested. I very rarely finish whilst on my back being ridden but watching Demi squat and take me - I just couldn't resist letting go.

This was not an affectionate kissing GFE experience - but I wasn't in the mood for that. Demi worked me, pleased me and satisfied me in a completely unhurried way. I enjoyed my visit very much indeed and will be returning to Demi in the future - there is much more I want to do with her.
