### The Premises:

Clean and modern flat in upmarket area.

### The Lady:

Very pretty girl with a great figure & quite stunning with her tight jeans on. However, breasts were not very full and slightly saggy.

### The Story:

A bit disappointing this.

It all seemed a bit rushed, when she tried to get sex out of the way almost immediately, with no allowance to get me in the mood. This followed by a good massage and i was then ready for round 2.

I still had 25 minutes left, but she got up and started getting dressed. I asked what she was doing, but her English was very poor. It was all very unclear, but I gathered she wanted to go out to her girlfriend's birthday!!! I really couldn't believe it and sat there confused for some time. I think she felt that I was satisfied, especially with all the Xmas beers I had drunk.

Anyway, her flatmate came in who had only slightly better English. I finally managed to get my message across, and Kylie agreed to work, but only to the end of the hour, refusing to work the extra 15mins that had been wasted. The last session was a rushed OWO.

She is a pretty girl for sure, and I reckon her performance may be good but her attitude is very poor.
