The Premises:

My hotel - so no problem.

The Lady:

Reasonably pretty face; but frightfully slim, dyed blonde hair, numerous tatoos & piercings. Did not dress discretely.

The Story:

Never felt the need to write a FR before.

Tanya was very tense, nervous & clearly didn't want to be there - it showed in her manner, body language & the services she offered. Major turn-off. Very glad she left early.

Disappointing visit, wouldn't have written an FR if the lady hadn't come from Cheshire Companions. Wish I'd read this report before booking her: <http://www.captain69.co.uk/public/public.asp?id=58582>

Service Provider's Rebuttal

The agency writes, "I have read your comments with regard to Tanya and have taken steps to address the matter immediately. Having spoke with Tanya, we have agreed that escorting is not suited to her at this time and she has stopped working for me. I must stress to the author Bangraman that Cheshire Companions has a good reputation and on the strength of that, I would hope that he uses the company again. I feel confident that he will have an enjoyable visit next time he calls. I can only apologise for the last experience he had, but he can see that this has been rectified."
