The Premises:

Annex to house appears custom built for purpose; externally whitewashed walls, boarded windows with black trim; ~5 rooms, wood panel cladding, fixed beds; clean minimalist layout; clock on wall (very unusual); reasonably discreet but it IS in a residential area

The Lady:

light brunette/almost blonde; slim about 5 foot 6; good figure, very lovely and firm breasts and trim bottom; shaved; tattoos on small of back

The Story:

Was met at door by Angel, taken to room; brief description of specialities, left room; 2nd girl came in for introduced self. I chose Angel. Started first with a fingertip massage with talcum, then flipped over for ball licking. Did reverse O and reverse rim on Angel, then on with cap for OW, followed by sex in various positions. Also shagged in A in doggy and side. Very good punt all with a sexy lady.
