The Premises:

Slightly scruffy flat in a nice street near Baker Street. Nice Large Bedroom and clean inside. Safe

The Lady:

Alex is basically as her pics. Pretty but not stunning. Big tits, big arse, tan, part Shaved Pussy. Slightly larger and probably older than stats - but nice

The Story:

Alex greeted in short dress lightly made up - her big tits in full view. Wet Kiss on arrival and straight to bedroom. Sometimes you know it is going to go well --

Excellent kissing and BBBJ throughout - first pop in mish - second after some nice reverse cowgirl from behind

Highlights - Slamming into her pussy from behind gripping her big tan arse stands out - as was making her cum - At first I licked and sucked on her shaved pussy then while up for air Tara took over with her fingers on her clit while I wanked and watched her - I then lifted her arse off the bed and began to spear her pussy with my tounge as she continued to wank herself. This seemd to do it for Tara and she came with a wet gush which was a real turn on

As said not the best necessarily looks wise but a great girl - friendly passionate and skilled
