Details of Service Provider:

Website: <http://www.selectanescort.com>

The Premises:

Victorian house in a residential street. Area felt very safe. If parking is a problem then there is an off-street car park nearby.

The Lady:

As described on her website, petite mid 40s with medium length hair. She has a great body that she looks after well and everything is shapely and in perfect proportion. Of course the website though cannot convey her intelligence, friendliness and sense of humour. In the flesh she is very sensual, sexy and attractive - testimony to the fact that great things can be packed into petite packages.

She also advertises as Spirit on the Punernet Service Provider Database

The Story:

Sarah is very punctilious in replying to her e-mails and nothing seems too much trouble to her. She took great care both before and during our encounter to ensure that everything was just right and took a lot of care to ensure for example that she was dressed to please. On arrival she is immediately welcoming and ready with her favourite cup of tea. Our particular scenario was one that we both enjoyed and she was fully committed to making the session special. Most of all she has a great sense of fun and down to earth attitude about what she does.

She is not always readily available (especially for in-calls) for various reasons but is well worth the wait. If a sexy fun session with a classy mature lady, who is fully at ease with her own sexuality, is what you want then she is highly recommended. Your respect for her will be fully rewarded.
