The Premises:

Maya's place is a short distance of M32 and easy to reach. It is situated in a very safe & quiet area in Bristol with easy parking close by. Her place is inviting, very clean and tidy. The shower facility is out of use at the moment as she is having the area refurbished and a new shower installed. Hopes to have it completed soon.

The Lady:

Maya is a very attractive and lovely lady who makes you feel very relaxed and welcome right from the start. (Very important as this was my first and been away from the intimate scene for a very long time following the break-up of a relationship some many months ago). In her 30's, fabulous body, great breasts, fantastic bum and smells wonderful.

The Story:

Not able to experience the full joy of Maya on this occasion but what Maya was able to offer was heaven enough and wetted my appetite for times to come. Met at her door wearing a provocative little dress which got my heart rising. A quick inviting kiss then followed her up the stairs. Her photo on her site is a true reflection!! Plenty of touching, body contact and massage started the hour off well, and then down to a Fantastic and Mind-blowing OWO which had me coming in next to no time. What could I expect it's been a long time.

Maya is a genuine affectionate friendly lady who makes you feel special. After a short rest more OWO with lots of enthusiasm and encouragement. Sparkling and mischievous eye contact throughout takes you to another level. A real GFE.

Can't wait for the next time when I hope I will be able to return the enjoyment and pleasure. Also to taste and enjoy the full experience of Maya which have been so well described in previous PRs. Counting down the days !!
