The Premises:

My first visit to this Parlour. Seems a clean and lively place - certainly lots of banter going on in reception, while I was waiting for Steph.

The Lady:

Steph is a pneumatic blonde in her mid-20s. She's a little sweetie (about 5' 4" tall), who was friendly enough but initially seemed less outgoing than many Working Girls do on first meeting. Even so, she's a lovely, gentle lass with beautiful eyes.

The Story:

We began with a talc massage on the back and then she turned me over. Provided owo (?10 extra) and we moved onto reverse oral (which she seemed to appreciate!) before finishing in cowgirl. I know she has captivated other punters and it's easy to see why.

Because she was so quiet in the early part of our time together, she disarmed me and I completely forgot about the range of services the Parlour website says she offers; and about her photos on the website. There's obviously hidden depths to this girl, which I look forward to exploring on a future visit. Or several!

Sorry it's taken me so long to post this, Steph. Hadn't realised how long it was (since I saw you, that is!) look forward to seeing you again. And soon!
