### The Premises:

Dingy basement

### The Lady:

Unacceptable, considering her pictures on the website looked far more flattering (in retrospect heavily retouched photos).

### The Story:

Grumpy. Did not do cim which the agency promised she did. Note that I asked the agency to recommend a girl who did cim. They recommended Christina whilst I had a look at her pictures and decided to go for her. Because of her extreme grumpiness, I decided to have a quick orgasm (facial) and left after 15 minutes.

I have now had two consecutive experiences with agencies who lie about the girl's services (see my previous FR). Bad luck. I think I shall stick to girls whose services I have already experienced, as I have got a nasty feeling that agencies are now attracting too much business, so they will risk lying to clients.
