i usually phone up to see who is on,today i never and glad for that.thought i would be first in how wrong and more to follow.actually met her whilst in foyer paying.apart from tanya only 2 others were on time with another2/3 late.common prob at scorpio first thing in morning.other 2 were common faces.so i picked tanya,cause of her chest and body bursting out.followed her down and for the first time in long while i knew this was gonna be real good.well im not saying no more but my cock has never been so hard and big in a long while with a sauna girl and i'll be going back soon if i get time.
