The Premises:

Usual City-Girls flat in the block behind Staples. Clean and Tidy, and warm, which was a bonus as I was freezing...

The Lady:

As stunning as ever. Carla's pictures on the website give a hint of how georgous she actually is, but things are much better in the flesh. The photos also make her look taller than she is, so it comes as a surprise to find she is really rather petite. The boobs are as fantastic in they flesh as they look in the pics.

Carla was wearing a tight short black dress, and a pear of black lacy knickers with "Sexy" embroidered across the front in pink - very sexy indeed.

The Story:

This was the third time I have seen Carla, and I currently think she is the best available. She always greets me with a big kiss (proper snogs...) and a cuddle. Once the money was out of the way, we moved on to me sitting on the corner of the bed, still dressed, with her naked sitting on top of me, kissing and playing with her magnificent body.

A lengthy OWO 69 followed (very good), before she rolled on a condom and we started of in mish. Soon switched to doggy (she looks fantastic from this angle - actually she looks fantastic from any angle, but you know what I mean) and then to her lying flat on her front with her legs together, which was lovely.

I then took a quick break, and leaving Carla where she was on the bed started to play with her. This went on for a while, and looked like it resulted in a pretty genuine orgasm, whilst I had one finger on her clit, one in her pussy, and one just nudging at her bum-hole.

After this, we went back to where we started on the corner of the bed, with her straddling me and leaning back with her hands on my legs. This had me coming like a train fairly rapidly...

A quick clean up and cuddle later, and I was ready to roll. Carla is warm, sweet, sexy and always looks like she is enjoying herself. I can't wait to go back again.
